Dear [Redacted]

STAT

As your summer assignment in Analysis Group draws to an end, I would like to extend my sincere appreciation for a job well done. Your efficiency in distributing the large volume of daily mail, answering telephones, and helping with a variety of typing chores made a substantial contribution to the smooth functioning of the Group's front office.

With the successful completion of your second summer as an Agency employee, I want to wish you the best of luck in the coming academic year at Virginia Commonwealth University.

Sincerely,
